WE have just received from the Cumberland River a Celebrated "Stacker" Iron!

came out uninjured, save the binding of the books, occasioned by steam.

Our stere was five stories above ground, and two starties below, occupied from cellar to garret. The initiality of the heat can be attested by any fireman who witnessed it.

No furnace could be contrived by the ingenuity of man to create a more intense heat. We voluntarily give this tribute to the value of these fafes, and select your widely circulated commercial Journal to inform the mercantile community what estimate to place upon Steams & Marvin's Wilder Patent Salamandor Safes.

Respectfully,

Revicand, And two starties in the starties of the fallowing Po-tax Dante, Targey Morocco, Antique styles of the following Po-tax Dante, Targey Morocco, Antique styles o

Educational.

Classical and Mathematical School, IN MEMPHIS.

A SCHOOL of the character above indicated will be opened in this place on the Sth of February, 1857. The course of instruction will be the same as that pursued at the University of Virgit is, and adapted to the pr paration of youth for the University, or the business pursuits of life. The different branches that will be taught in this School are:

English Language and Literature;

Moral Philosophy and Ethics;

Mathematics and Natural Science;

Greak Language and Literature;

Latin Language and Literature;

Latin Language and Literature;

Latin Language and Literature;

Latin Language and Literature;

New French sivice Ladies' Vivet Bass and Porte Monies. Latin Language and Literature.

Modern Languages and Literature.

Having attended the Lectures in the Literary and Scinitide Departments of the University of Vi ginia; obtained the degree of Backelor of Arts, and been several years engaged in teaching. I fatter myself with the hope that I will be able to give general satisfaction in the different Pocket Scissors, something new, that I will be able to give general satisfaction in the different Pocket Scissors, something new, Paper Knives, fine carved Ivory, Santi and Silver, ornamented Latin Language and Literature; years engaged in feaching. I fiather myself with the hope that I will be able to give general satisfaction in the different branches which I profess to teach. As regards qualifications, more character, and standing, I can retent to the Professors of the University, and to the citizens of Charlottesville, Va., from whom I have ample testimotopic to sait the taste of the most fastistions.
